Where nothing comes as standard

Queen Anne's breathtaking interiors take inspiration from our past to define a striking new design direction for our future.

Having been immersed in the Cunard archives, the designers, whose portfolios include luxury hotels, high-end yachts, and private grand residences, have ensured that Queen Anne exudes classic Cunard style while showcasing many new considered touches.

Queen Anne's distinctive design language is echoed throughout, reinterpreting influential styles of the past and celebrating the beautiful art deco style finishes Cunard is known for.

Feel inspired as you stroll through decks adorned with an impressive art collection or enjoy that special feeling as you descend into the Grand Lobby in your Gala Evening finery. Delight in our world-famous Afternoon Tea, served in the exquisite Queens Room, or decide to spend your days and evenings relaxing in more casual surroundings. Queen Anne becomes your new home as soon as you step on board and breathe in the true Cunard experience.

And then to dinner

Relish in the pleasure that is dining on board Queen Anne. Like her fellow Queens, our newest ship leaves nothing to be desired when it comes to cuisine.

Queen Anne offers dedicated restaurants corresponding to her four accommodation categories. Each of these boasts a menu that showcases the finest ingredients from all over the world. Alongside our glittering main restaurants, Queen Anne offers an array of alternative dining options.

Your choice of authentic cuisine includes Mediterranean, with a restaurant whose menu features both familiar and perhaps unexpected dishes. Delight in the delicate and fragrant flavours of the East at the Japanese restaurant or enjoy tastes of India, with dishes made using rich and aromatic spice blends. When you're in the mood for an indulgent steak and perfectly paired wine, choose the steakhouse and grill, or maybe head for tapas if you'd like an evening filled with plenty of options. You'll also find a generous menu of pub classics at the Golden Lion or you can choose from a range of healthy options at The Pavilion Wellness Café.

Whatever you choose, revel in fine, flavoursome cuisine without compromise.

Queen Elizabeth, Alaska

Queen Elizabeth

Christened by our late Queen, (Her Majesty Queen Elizabeth II) Queen Elizabeth pays tribute to classic art deco design; styling that has won her numerous accolades.

The heyday of Hollywood glamour is instantly evoked in her elegant wood panelling, gleaming chandeliers, and marble flooring, but nowhere more so than in her triple-height Grand Lobby; its sweeping staircase dominated by a marquetry-panelled portrait of the original RMS Queen Elizabeth.

For relaxation, Queen Elizabeth offers spacious decks, a Garden Lounge – based on the glasshouses of Kew Gardens – and a unique Games Deck, where you can try your hand at croquet, bowls, or paddle tennis.

Queen Victoria

Similar in size and layout to Queen Elizabeth, but with her own distinct personality and feel, Queen Victoria's classical decor has an Edwardian elegance, executed with Cunard's hallmark flair.

She's also the holder of several firsts. The first Cunard ship to have a female Captain – Inger Klein Thorhauge – and the first in the world to offer private theatre boxes at sea.

Fans of Queen Victoria often remark on her unusual cosiness. Because, while she's every inch a grand ship in size and decor, she has a particularly warm and intimate feeling throughout.

When all the ship's a stage

With unexpected theatre like nothing else at sea, find yourself transported into another world again and again, with Cunard Showcases.

When you sail with Cunard, your on board entertainment isn't only confined to the Royal Court Theatre. We also like to immerse you in the action, with our ships setting the stage for some of the most unique productions at sea.

That's why, on selected voyages, you'll find performances of a more intimate nature, delivered in places you probably wouldn't expect. We call it Cunard Showcases because that's exactly what it is: a celebration of live performance, showcased through extraordinary experiences.

Powerful dramas. Interactive theatre. Multisensory dining. This eclectic entertainment programme is the first of its kind at sea. Become utterly absorbed in a murder mystery dinner. Enjoy the impromptu acoustics of an operatic flash mob.

Be left speechless by incredible dance and physical performances you'll never forget.

Many of our guests welcome the opportunity to dress for the occasion and step out in style. Of course, should you prefer to spend your evenings in more relaxed attire, a selection of casual dining and entertainment venues are always available.

On Queen Anne, perhaps head to Bright Lights Society, a dazzling new show bar where you're invited to share an electric evening of wonder up close.

For West End-style performances, on each ship you'll find the Royal Court Theatre. Here, some evenings feature singers or comedians, and other times you might catch a classical drama or musical. You can even enjoy champagne in your own private box on some ships.

Alternatively, slow things down with the melodic sounds of a pianist serenading you as you sip the evening's cocktail, or take part in a quiz with your fellow travelling companions at the Golden Lion pub.

Sustainability at Cunard

Looking after the world we love

At Cunard, and with our parent company Carnival Corporation & plc, we're taking committed action to protect the environment and invest in our communities and people to deliver positive impact – not just for today, but for the long term. Our sustainability agenda supports many of the United Nations Sustainable Development Goals and is made up of several important priorities.

Protecting the environment

Climate action

We support the adaptation of alternative fuels and are testing new technologies as they become available. We are investing in new low carbon or zero-carbon emission technologies, developing and installing advanced air quality systems and partnering with organisations and stakeholders to support our decarbonisation efforts.

Circular economy

As the world shifts towards a circular economy model where materials flow around a 'closed loop' system, we are shifting how we work with our supply chain partners to reduce waste.

Partnering with our destinations and communities

Sustainable tourism

As we travel the world, we have the privilege to explore many cultures and environments. It is our collective responsibility to respect and help them maintain their culture, history and natural resources.

Biodiversity & conservation

Our efforts are focused on implementing best practices across our operations, investing in programmes that support biodiversity and conservation, working with our supply chain and partnering with the communities we visit to help maintain and improve their ecosystems.

Investing in people

Good health & well-being

Our employees are at the heart of our operation, and we are working on expanding our well-being programmes to support their physical and mental health, encourage social connectivity with family and friends and promote a balanced lifestyle.

Diversity, equity & inclusion

Our success depends on the diversity, talent and dedication of our global employee base. We strive to provide an inclusive and supportive work environment with equal opportunities for professional growth throughout their career path.

The Transatlantic Crossing, by Cunard

A voyage across the Atlantic is as iconic today as it was in 1847, and it remains one of life's most unique travel experiences.

It's a welcomed opportunity to leave the everyday behind and immerse yourself in a world of unadulterated escapism. Most of all, it's an invitation to make an unforgettable arrival into (or departure from) New York by ocean liner.

Share in the timeless romance of it all, with the freedom to spend each day at sea in whatever way you please. From a morning yoga class before breakfast, to an evening performance at the Royal Court Theatre, there's always something new to experience.

Indulge in our famous Afternoon Tea, served daily in the Queens Room, or see constellations take shape in Queen Mary 2's on board planetarium, Illuminations. Savour a flight of ales in the Golden Lion pub, a live pianist in the Commodore Club, or perhaps an Oscar winning film, the choice is yours.

Selected voyages also offer the opportunity to combine a Transatlantic Crossing with a day in Hamburg, Southampton, or Paris (tours from Le Havre), adding yet another wonderful dimension to this legendary ocean journey.

To find out more, or to book your Transatlantic Crossing, visit: cunard.com/transatlantic

Alaska, by Cunard

Exploring Alaska by ship is the perfect way to experience these icy northern reaches first-hand, many of which are inaccessible by air or road.

From the rainforests of Icy Strait Point to the compact charms of Skagway, a voyage through Alaska offers sights and experiences that will stay with you always. Explore frontier towns where gold prospectors once mined the icy terrain and glacier-studded fjords at the very fringes of civilisation.

Ketchikan, home to the world's largest collection of totem poles, delights with its intricately carved wooden sculptures and candy-hued houses. The state's capital, Juneau, unlocks whale-watching expeditions to see humpbacks and orcas, while cruising Glacier Bay National Park delivers spectacular scenes of tidewater glaciers backed by snow-capped mountains.

On board, naturalists illuminate the views on deck, performers provide native entertainment, and Cultural Heritage Guides reveal fascinating insights into Alaska's history. An Ice White Ball Gala Evening offers yet another experience to savour, while an Alaska twist on our signature Afternoon Tea provides the perfect treat after a day exploring.

Your dining experiences also pay homage to Alaska's great culinary legacy, featuring dishes inspired by native delicacies and ingredients of local provenance.

North America, Panama Canal, and Europe, by Cunard

A transit of the Panama Canal unlocks incredible seafaring journeys through the jungle-lined waterways connecting North and South America.

From the allure of bustling cities to the respite of tranquil golden beaches, voyages through the Panama Canal can provide relaxation on sparkling shores and sun-filled days steeped in culture.

In North America, gaze out at icy blue glaciers and wildlife in Alaska before sailing south to perhaps explore Vancouver's enticing galleries. Be greeted by the sight of the Golden Gate Bridge on arrival into San Francisco and, while here, why not take the opportunity to visit the city's famous prison on Alcatraz Island?

Los Angeles offers the star-studded Walk of Fame, a tribute to Hollywood icons, while Mexico and Central America bring the softness of powder-white beaches in Cabo San Lucas, and invigorating Costa Rican coffee in Puntarenas.

As you sail the Panama Canal itself, one of the world's greatest feats of engineering, be sure to savour the sight of the majestic verdant jungle from the deck, perhaps with a signature Cunard cocktail to toast the occasion.

Relish postcard-perfect views of the Caribbean Sea, where the pink sands of Bermuda await, and Aruba offers streets lined with candy-coloured houses. Fort Lauderdale, meanwhile, unlocks the winding walkways of Riverwalk Park, dubbed Florida's most beautiful mile.

Across the pond in Europe, perhaps sample Madeira's renowned fortified wine, and in Barcelona, take endless photos of extraordinary architecture. Go in search of the finest pasta in Rome when you're not exploring ancient ruins, and in Naples discover pizza like you've never tasted. You'll have the opportunity to step inside Napoleon Bonaparte's ancestral home in Ajaccio, and in Palma de Mallorca, soak up the sun on palm-fringed beaches.

Northern Europe and British Isles, by Cunard

Revel in pristine scenery and strikingly beautiful cities as you explore these historic lands.

Fascinating contrasts and beguiling natural wonders provide the perfect combination for a magical holiday in Europe's northernmost nations. Journey to Iceland, home of the Golden Circle, where geothermal geysers await on tours from Reykjavík, or immerse yourself in the captivating natural beauty of Norway's deep coastal fjords.

In the Baltics, Copenhagen's Tivoli Gardens and Tallinn's Medieval Old Town (a UNESCO World Heritage Site) are sure to enchant, while Helsinki's stunning Temppeliaukio Church provides an architectural highlight in Finland.

Norway, meanwhile, invites you to follow in the footsteps of Vikings, with passages through waterfall-lined gullies cloaked in emerald forest. Take the funicular up Fløyen Mountain to savour the sweeping panoramic views across Bergen, stroll pretty streets lined with art nouveau buildings in Ålesund, and step between the pages of history in Trondheim's 11th-century Nidaros Cathedral.

Voyages around the British Isles offer an opportunity to retrace The Beatles' musical legacy in Liverpool, explore Edinburgh Castle on a tour from New Haven, and uncover maritime history at Titanic Belfast, an unmissable attraction in Northern Ireland.

Iberia, Atlantic Coast, and Canary Islands, by Cunard

Stunning scenery, UNESCO World Heritage Sites, and glorious climates are among the temptations of these enticing voyages.

As you sail along the beautifully asperous coast of Iberia, you'll encounter a medley of fascinating ports of call including Spain's lush Galicia region from La Coruña, and Portugal's atmospheric capital Lisbon, where Queen Anne will call on her maiden voyage in 2024.

Ancient Cádiz puts you in reach of Seville's mesmerising equestrian shows, while tours from Málaga provide a gateway to the decorative arches and resplendent Moorish tiles of the Alhambra, in nearby Granada. In Gijón, the old fishermen's quarter of Cimadevilla is sure to enchant, while the 1st century Roman Theatre provides a fascinating historical highlight in Cartagena.

In the Canary Islands, Lanzarote stuns with its spectacular park at Timanfaya and Tenerife's Mount Teide cable car delivers breathtaking panoramic views, 11,500 feet above sea level. Gran Canaria brings bustling resorts and quaint fishing villages, sleepy La Palma boasts charming cobbled streets and pine forests dotted with waterfalls, while the Biosphere Reserve of Fuerteventura is your ticket to sugar-white beaches backed by towering cliffs.

Equally appealing is the 'Garden Isle' of Madeira, where Funchal's Botanical Gardens offer a medley of colours to admire.

Tangier, Morocco

The Caribbean, by Cunard

Immerse yourself in the glorious sunshine of the Caribbean, with the freedom to explore a new island almost every day of your holiday.

Overflowing with natural beauty, vibrant colours, and idyllic beaches, the Caribbean has long held a place in travellers' hearts. Its cuisine is also legendary, with fresh fish and fiery spices common signatures in the local dishes enjoyed across the region.

Pristine Dominica, one of the greenest islands, is a playground of natural wonders. Its stunning Morne Trois Pitons National Park a lush paradise of grottos and hot springs. St Kitts also offers much to satisfy your inner adventurer, with stunning mountain trails surrounding the island's capital Basseterre.

Sint Maarten, in the Dutch Caribbean, introduces quiet coves that are perfect for snorkelling as well as thrilling zip-lining experiences to set your pulse racing. If you're in the mood for some retail therapy, the colourful boutiques along Front Street in Philipsburg - just a stone's throw from one of Sint Maarten's best beaches - are sure to turn up a precious treasure or two.

Barbados meanwhile, offers the opportunity to explore the UNESCO-listed Garrison or the stunning stalagmite formations of Harrison's Cave. An aerial gondola ride in St Lucia's Forest Reserve will whisk you through the emerald canopies, and on St Thomas, the allure of Magens Bay's sapphire seas will prove impossible to resist.

Asia, by Cunard

For a truly sensory experience, there's nothing quite like Asia. A region synonymous with enchanting contradictions, the sights, sounds, and scents of these fascinating nations are sure to astound you.

Nowhere embodies this spirit quite so well as Singapore, where ancient shophouses offer a window into the past, and contemporary additions, such as the magical Gardens by the Bay, lend the city a futuristic feel. Savour the opportunity to step out after dark, with an overnight port call on selected voyages.

Sailing to Vietnam introduces a multi-layered melting pot of history in Ho Chi Minh City, while arriving in Chan May gives you a choice between visiting the UNESCO-listed Imperial City of Hue, or the heavenly sands of Da Nang's beaches.

Queen Elizabeth will make several Japan circumnavigations, offering the opportunity to visit Akita's sake breweries, Hiroshima's Peace Memorial Park, and Kanazawa's castle, plus maiden calls to Beppu and Sasebo. You could also enjoy time ashore in Taiwan and Busan, where Buddhist shrines and the homes of former emperors are among the sights to savour.

Be part of something special when Queen Anne sails to Asia for the first time in 2025, on her maiden World Voyage. Calls to Sri Lanka, Abu Dhabi, and Dubai are just three highlights in store, as well as Hong Kong, Vietnam, and Singapore, among others.

Easy-going Cairns is your gateway to the colourful marine life of the Great Barrier Reef, while Hobart's fashionable Salamanca Place and historic Battery Point await on the island of Tasmania.

Then comes New Zealand. Boasting some of the most breathtaking landscapes in the world, the islands are a firm favourite with travellers of all ages. Be captivated by vivid tones of blue and green as you traverse Fiordland National Park and the beautiful Bay of Islands, keeping a watchful eye for curious whales and dolphins.

Dunedin's Maori heritage and Auckland's impressive gastronomy will enhance your visit to New Zealand further and you could time your voyage over Christmas and New Year to celebrate in ultimate style.

Peggy's Cove (from Halifax)

USA and Canada, by Cunard

In Canada and the United States, vast landscapes and vibrant cities offer a glimpse into the legacies of man and Mother Nature.

With iconic sights that never fail to impress, New York is always a compelling port of call on a USA and Canada voyage. Then there's laidback Boston, famed for its links to the American Revolution, which you can learn about in the city's famous Freedom Trail.

Away from these iconic cities, you'll discover New England's gorgeous beaches and characterful coastline. Calling at Rockland, meanwhile, introduces a creative blend of galleries, shops, and farm-to-table restaurants, the likes of which are highly acclaimed.

In Canada, a woodland hike among Nova Scotia's pine trees from Sydney offers a lovely way to while away an afternoon. The same is true of the historic warehouses and star-shaped Citadel in Halifax. Sept-Îles will astonish with its stunning scenery and rich Innu culture, while Saguenay (one of the best places in the world for whale-watching) reveals a majestic fjord and picturesque villages.

Canada's crowning glory, however, must be the beautiful walled city of Québec. Brimming with French culture, entering its magical old town (a UNESCO World Heritage Site) feels nothing short of taking a step back in time.

Mediterranean, by Cunard

Embark on your Mediterranean adventure directly from Southampton or soak up this magical region's many highlights on a Fly-Cruise.

Home to some of the oldest cities in the world, the rich history of the Mediterranean is beyond compare. Walk in the footsteps of gladiators, explore ancient archaeological sites, and revel in the tranquillity of islands where life seems to move at an altogether slower pace.

Enjoy an overnight stay in Istanbul, sipping on rich Turkish coffee and getting lost in bazaars filled with colourful pottery, fabrics, and sweet treats. Nestled in eastern Italy, close to the border with Slovenia, Trieste brings a chance to explore Italian, Slovenian, and Austro-Hungarian influences, especially in the medieval old city. Explore ancient Roman ruins in Croatia, and gaze in awe at Gaudi's unmissable Sagrada Familia in Barcelona, the spires of which are an iconic sight on the city's skyline.

In Rome's 'Eternal City', the Colosseum and Vatican City are just two of the historical highlights worthy of a visit. Naples, meanwhile, brings the wonders of Pompeii, and Pisa's leaning tower is easily accessed on a tour from Livorno.

Selected voyages also offer the opportunity to transit the Messina Strait, or stop in Cagliari to admire its beautiful hilltop Castello. Then of course there's the Greek Islands of Cephalonia, Corfu, Mykonos, and Santorini, where the sea seems to glint an otherworldly shade of blue.

These, together with the Balearic Islands of Mallorca and Ibiza, are sure to inspire lasting holiday memories.

Short cruises, by Cunard

Escape it all (if only for a few days) with time to enjoy the things you love the most, complemented by a dash of exploring.

With sea days to spend however you please and port calls in one or more destinations, a short voyage offers all the ingredients for a perfect mini-break. Relax in bubbly whirlpools, lay back on expansive sun decks, and enjoy entertainment that lasts late into the evening.

Many short voyages call into Zeebrugge, gateway to the medieval architecture and cobbled streets of Bruges. Navigated by horse-drawn carriage, this quaint city exudes a sense of wonder. You'll find the local beer and chocolates hard to resist, while the Christmas market is one of Europe's best.

Hamburg is an equally interesting destination, with excellent shopping and a joy-inspiring miniatures museum. Its must-see attractions include the city's neo-renaissance townhall, with its courtyard resembling an Italian piazza, and Hamburger Kunsthalle, where you can see over seven centuries of world art.

The Baltic city of Kiel, gateway to historic Lubeck, seduces with its attractive old town and maritime museum. Rotterdam offers canal-side shopping and bold architecture, and Amsterdam introduces gabled buildings alongside galleries dedicated to Dutch masters.

Calling at Le Havre, meanwhile, unlocks the Eiffel Tower on a tour to Paris, and Cherbourg brings opportunities to visit Mont-Saint-Michel or explore Normandy's wartime history.

Cruise Connections

Cruise Connections is our way of getting you to your ship and home again with minimum hassle and maximum value. Simply choose exactly how you want to travel. It really couldn't be easier to connect with your cruise.

Coach transfers

Our coach services link UK regions directly with the terminal at Southampton. Once your labelled luggage is put on the coach, the next time you see it will be in your stateroom. The coaches are modern, air-conditioned, and non-smoking with comfortable seating and WCs. They also make regular stops so you can stretch your legs.

Coach bookings can be made 72 hours after your cruise is booked and must be made no later than 35 days in advance of the cruise departure date.

For full details and to book, please go online at intercruises.com/cruiseconnect, call Intercruises on 0344 33 88 690 or email cruiseconnect@intercruises.com and quote your booking reference number.

Valet car parking at Southampton

If you choose to drive to the terminal, you will be directed to the drop-off point for your vehicle, where you can unload your luggage before your parking representative takes your vehicle to a secure car park. After disembarking, your car will be delivered to the terminal for collection.

Car park bookings can be made 72 hours after your cruise is booked and must be made no later than 10 days in advance of the cruise departure date.

For full details and to book please go online at cruiseparking.co.uk or call CPS on 0345 071 3939 and quote your booking reference.

Chauffeur services

A private chauffeur-driven car can be arranged for those guests who wish to be transferred directly from home to the port or airport.

For fares and details of how to book, please contact Intercruises by email at cruiseconnect@intercruises.com or call 0344 33 88 690 and quote 'Cunard Cruise Connect'.

Whether you're travelling on one of our short cruises to Hamburg, experiencing one of our glamorous Transatlantic Crossings, or discovering shores further afield, we can arrange and tailor flights to meet your requirements. You can make the most of your destination by extending your stay, or spoil yourself by upgrading your flight.

Holiday Package Add On

Let us take care of the complexities on your Fly-Cruise holiday by arranging all the necessary flights and transfers, to and from the ship and airport, as well as any overnight hotel stays that may be required.

A Holiday Package Add On includes flights, transfers to/from the ship to the airport, and an overnight hotel stay where applicable.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300[^].

Upgrade your flight

We offer the option to upgrade your flights to premium economy, business, or first class on your preferred airline. Upgrades can be booked from 11 months prior to departure, subject to availability.

Change your flight date

We can also help if you'd like to extend your holiday, either before or after your cruise.

Whether you choose to book a hotel stay through Cunard, want extra time to explore independently, or would like to visit family and friends overseas, we can assist with arranging flights to fit in with your plans.

Simply let us know your preferred flight dates when you book your cruise, or at least before the balance due date for your holiday.

Please note that should you decide to explore a destination independently, and we have provided your flights, you will need to make your own way to or from the ship on the day of embarkation/disembarkation and, depending on the flights you choose, additional charges may apply.

Regions of the World and Grand Voyages, by Cunard

Our 'Cruise Only' fares give you the flexibility to make your own travel arrangements. If you would prefer to include a Holiday Package Add On, please call us on 03453 550 300[^].

Occasionally, flight times necessitate an overnight stay in the port of embarkation/disembarkation, in which case hotel accommodation will be provided.

Whether you're flying straight to your ship, or have booked a Land Tour or hotel stay through Cunard, we can help to enhance your journey.

Add another destination

For longer journeys, you may want to consider stopping en route. For example, you could spend a few days in Dubai on the way to Sydney, or explore Singapore on the way home from Perth.

Alternatively, you could add another destination to your itinerary by flying to a different city before you join your cruise.

For example, why not fly to Boston or Philadelphia before making your own way to New York? If your cruise finishes in Auckland why not explore New Zealand before flying home from Christchurch? Or you could spend a couple of days in Seattle before joining your ship in Vancouver.

Prices will vary depending on the flights that you choose, so please call for a quote.

For a tailored quotation please contact your travel agent, or for guests who have booked directly with Cunard please call us on 03453 550 300[^].

Please note that quotations can only be provided within 11 months of the final flight in your itinerary. We will make your flight information available to you as soon as the details are finalised.

Queen Victoria** – 170–172

**Although certain Queens and Princess Grill Suites can accommodate a third/fourth berth, these are capacity controlled by the numbers of covers available in the restaurants. Please call for availability.

Children

- ◆ Unfortunately, Cunard cannot accept any child under the age of 6 months as a guest. We are unable to accept infants of 12 months or less on any Full World Voyage, Grand Voyages, or Transatlantic Crossings.
- ◆ Children pay the applicable adult per person fare when travelling as a first or second guest.
- ◆ Infants aged between 6 months and 2 years, accommodated as a third or fourth guest in a stateroom, travel free on board. A nominal fee may be charged for infants between the ages of 6 months and 2 years where transfers, hotel stays, and air travel are involved, which we will discuss with you at the time of booking.
- ◆ Guests aged 2 to 17 years, travelling as a third or fourth guest in a stateroom, pay the full fare less the relevant third or fourth person discount.
- ◆ Please note that children under the age of 16 are not permitted to travel in a stateroom without an accompanying guest who is aged 16 or over.

Single guests

Single Staterooms are available on board Queen Mary 2, Queen Victoria, and Queen Elizabeth. Alternatively, single guests wishing to travel in a double stateroom can pay the relevant 'sole occupancy' supplement as follows:

Queen Mary 2

- ◆ Grades Q1-Q7, P1-P2 – 200% of the per person fare.

- ◆ Grades A1, A2, BB, BC, BD, BE, BF, DB, DC, EA, EB, EC, EE, EF, IA, IB, IC, ID, IE, IF – 175% of the per person fare.

Please note that the percentage of the sole occupancy supplement may be increased without prior notification.

Stateroom changes

Occasionally it may be necessary for us to change the stateroom that you have booked. Should this situation occur, you can rest assured we will move you to the same, or a higher stateroom grade, at no extra charge.

If you have chosen your booked stateroom for a particular reason – for example a wish to be in a specific position on the ship – and do not want to be considered for a stateroom move, please let us know at the time of booking.

Please note that any stateroom move requested will be made at the discretion of Cunard. If there is no availability on the grade of stateroom you wish to book, we can add you to our wait list and we will contact you if your requested stateroom becomes available.

Guarantee staterooms

When you or your travel agent make a reservation, you may be offered the guarantee of the stateroom grade, rather than a specific stateroom number. This is because we know from experience that a small number of guests will be compelled to cancel their arrangements, thus leaving the accommodation vacant.

Accepting a guarantee means that you have a firm booking and can go ahead with your holiday plans in the same way as if you had accepted a specific stateroom number from the outset.

When we allocate a stateroom number, you can rest assured you will be given a stateroom of the type you have booked, or in some instances, of a higher grade, though it may be situated on a different deck to that shown on the deck plan for the grade guaranteed. The fare you have been quoted will, however, remain unchanged.

Bar and wine services

A 15% service charge is automatically added to your on board account, which is shared amongst the beverage team. Naturally, you are free to reward any member of the crew over and above these amounts, at your discretion.

Spa and salon services

For your convenience a 15% service charge will be added to your account. However, should you wish to remove, reduce, or increase the amount, please make this request during check out.

Travel information

Your travel agent will be able to tell you if there is any current advice for the countries you are visiting. Alternatively, you can visit the Foreign and Commonwealth Office website at www.gov.uk/foreign-travel-advice.

The information in this section is for holders of British Citizen passports only and is correct at the time of going to print.

Anyone who does not hold a British Citizen passport should check with the embassies of the countries you are travelling to for the most up-to-date information.

Passports

If you are a British Citizen, a full passport is required for all voyages. All British Passports must be valid for travel and have at least six months validity after you return home at the end of your holiday. It is recommended that you have some blank pages in your passport for entry and exit stamps. All British Citizens over the age of 16 require a full 10-year British Passport for all voyages. Children need their own passports. It is important that names and initials on the passport exactly match those on your boarding passes.

For voyages including EU ports, you will need a passport which has been issued within the previous 10 years of your embarkation date and have 6 months validity upon your voyage return date.

To check your passport validity in advance please visit <https://www.gov.uk/check-a-passport-travel-europe>.

Please note that British Visitor Passports are no longer valid. British Subject passport holder requirements may differ so please check these before travelling.

If you are applying for a new passport, please leave adequate time to action your application. Please be aware that if you are applying for your first British Citizen passport, you may be required to attend interviews prior to the passport being issued. For this reason, we would advise all guests in this situation to allow a minimum of six weeks to obtain their passports. For further information, please contact the Identity and Passport Service Advice Line on 0300 2220 000, visit the website at direct.gov.uk or email: info@passports.gov.uk.

If you DO NOT HOLD A BRITISH CITIZEN PASSPORT, your passport, travel

documentation, and visa requirements may be different. You should check with your travel agent or our preferred visa supplier, CIBT (0845 899 7256), to ensure you have the correct documentation.

Visas

The visa advice included in this brochure is applicable to voyages featured in this brochure only and for British Citizen passport holders only. If you do not hold a British Citizen passport your situation may be different and you should seek advice from your travel agent or the relevant Embassy/Consulate.

Your passport must contain adequate blank pages for any visas and subsequent stamps. We suggest that you bring a few photocopies of the photograph/personal details page of your passport with you. This may be necessary for some ports of call.

United States of America (and territories) Entry Requirements

International travellers who are nationals of Visa Waiver Program (VWP) countries, can enter the USA without a visa after completing an Electronic System for Travel Authorization (ESTA). To check your eligibility for this program please visit <http://esta.cbp.dhs.gov/esta/> for all applications and further information.

If you do not hold a full British Citizen passport or a passport from another country eligible for the VWP, please check to ensure you have the correct documentation for your holiday.

To apply for your ESTA, please go to <http://esta.cbp.dhs.gov/esta/> and follow the link to the ESTA application site. A third party, such as a relative or Travel Agent, can submit an ESTA application on behalf of a VWP traveller. The current cost of obtaining an ESTA is USD\$21.00, although this is subject to change at any time. All payments must be made directly to the official Department of Homeland Security ESTA website, using a credit card or debit card. Other websites may charge a higher fee for the same service. CIBT can apply for an ESTA on your behalf for an extra charge – please contact them on 0845 899 7256.

Should you require further information regarding passports or visas, please contact our recommended visa agent, CIBT on 0845 899 7256.

Australia/Sri Lanka

A visa will need to be purchased prior to travel, whether you are embarking, disembarking, in transit, or staying on board. If you decide to apply for your visa(s) through Cunard's recommended agent, CIBT, you will have to pay an additional charge.

Canada

Nationals of Visa Waiver Program (VWP) countries may enter Canada without a visa after completing an Electronic Travel Application (eTA). To check if this applies to you and/or to apply for an eTA please visit: www.cic.gc.ca/english/visit/apply-how.asp

If you do not have a full British Citizen passport, or a passport from another country eligible for the VWP, please check to ensure you have the correct documentation for your holiday.

Egypt

For British Citizens, Irish Citizens, US, Canadian, and European Community passport holders, a Quick Stamp visa for Egypt will be issued upon the ship's arrival in Egypt. Therefore you are not required to obtain an Egyptian visa in advance of your cruise. There is currently no charge for the Quick Stamp Egyptian visa.

Hong Kong

A visa is not required for entry into Hong Kong.

New Zealand ETA

International travellers, who are Visa Waiver nationals, may enter New Zealand without a visa after obtaining an approved New Zealand Electronic Travel Authority (NZeTA). Please note that all guests travelling with an NZeTA must present a print out of a successful NZeTA application at check in. Obtaining NZeTA approval, for most travellers, is simple and easy. To apply for your NZeTA, please follow this link to the NZeTA application website <https://www.etanewzealand.com/>. The cost of obtaining an NZeTA is currently NZ\$12.00 (however this is subject to change at any time) and payable during the application process using a credit or debit card.

Approved NZeTA applications are valid for a period of two years or until the passport expires, whichever comes first, and multiple trips to New Zealand are permitted without the traveller having to reapply for another NZeTA. When applying for your NZeTA,

a tourism levy of NZ\$35 must also be paid, which is valid for the same length of time as the NZeTA.

Indonesia/Jordan/Oman/Papua New Guinea/United Arab Emirates/Vietnam

Visas for these countries will need to be purchased and can be obtained on board. The relevant fee will be charged to your on board account.

South Africa

Guests are required to have two fully blank pages in their passports. If travelling with children please contact the South Africa High Commission for information on 020 7451 7299.

Schengen Visa information

Non-European passport holders may require a Schengen Visa for entry into Continental Europe. The United Kingdom is not a Schengen State member. British Citizen passport holders do not require a Schengen Visa.

Non-European Passport holders may be required to complete ETIAS (European Travel Information and Authorization System).

Schengen State members are: Austria, Belgium, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, The Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, and Switzerland.

Please note that it is your responsibility to have a valid passport and the appropriate visas for your journey.

Travel health information

Vaccinations

Vaccination requirements vary by destination and change from time to time. We recommend that you seek advice from your medical practitioner or travel medicine clinic at least six weeks before your cruise. You should discuss your personal travel plans in order to obtain appropriate advice and any recommended prophylactic medication and vaccinations prior to travel.

It is your responsibility to have with you any necessary health certificates. Please check below for mandatory requirements.

The seasonal influenza vaccination is recommended for all guests; you should speak to your GP about receiving the flu vaccine before you travel.

The health and well-being of all our guests is important to us. You will find further travel health advice on the UK government funded website at www.travelhealthpro.org.uk.

Covid-19

Please check cunard.com for the latest information regarding travel requirements concerning COVID-19.

Yellow Fever

There are no Yellow Fever Certification requirements with our upcoming itineraries, however, both the World Health Organization and Public Health England strongly recommend a Yellow Fever Vaccination for travel to Brazil. If your cruise calls in Brazil, we would advise you to discuss your travel plans with a medical practitioner or travel clinic prior to sailing.

Yellow Fever requirements are updated regularly and we will advise you of any changes that will affect your voyage.

You can also find further information on the government funded website www.travelhealthpro.org.uk

Polio

For certain nationalities there is a requirement to provide evidence of having had a Polio vaccination in the four weeks to twelve months prior to visiting the following countries: Qatar, Oman, Jordan, and Egypt. This requirement is in place for nationals of Polio exporting countries including but not limited to: Afghanistan, Nigeria, Pakistan, and Philippines. This list is subject to change so please discuss with your medical practitioner or travel medicine clinic at least 6 weeks prior to your planned cruise.

Malaria

Guests are strongly recommended to visit their medical practitioner, or travel medicine clinic, to discuss their personal travel plans. Please take a copy of your itinerary, including pre/post voyage travel, with you so a full risk assessment can be made, and the appropriate malaria prevention advice given.

United Arab Emirates/Japan drug warning

Please be aware that some prescriptions, over the counter drugs, complementary therapies, and other medicines that are purchased in the UK may be illegal in the United Arab Emirates and are therefore banned in the country. Japan also has rules regarding such medication. Codeine, for example, is banned and no products containing codeine, which may include paracetamol, may be imported or sold in the United Arab Emirates. An Import Certificate from the Japanese Authorities would be required in order to take such products into Japan. Penalties can be severe if banned substances are found when entering these countries.

If you are taking medication and are in any doubt then please contact United Arab Emirates London Embassy Medical Department on + 44 (0) 207 486 6281, or the Japanese Embassy on +44 (0) 207 465 6500 prior to your arrival. You may also check for further information at www.fco.gov.uk.

Anyone travelling with medications and/or syringes to any country should carry a prescription with them. All medications should be kept in their labelled dispensing bottles or packages. If the medications are "controlled" or injectable drugs, it is also advisable to carry a doctor's letter.

Required hotel stays

Cunard can arrange flights and transfers for you to join your ship when you purchase a Holiday package Add on. Where the included flight timings necessitate a pre-/post-cruise overnight stay, Cunard will include a hotel room at the international port of embarkation/ disembarkation for the night before or after your cruise.

This accommodation will not be assigned until 30 days prior to your sailing and for operational reasons will be subject to change right up until the date of your stay. You will not be eligible for compensation in the event of a change in hotel and our cancellation terms will apply as per the cruise Booking Conditions on pages 196–199. For required hotel stays, airport hotels may be used, avoiding long transfer times and allowing guests the chance to rest before or after a long flight. If you wish to have time to explore your city of embarkation/disembarkation, we recommend you book one of our hotel stay

packages. If you are booked on one of our hotel stay packages, or land tours, on the same date as a required hotel stay, you will not be eligible for the required hotel stay.

International flight arrangements

If you have booked a flight through Cunard, this will be in economy class flights from/to the UK, along with any necessary transfers at the overseas airport on the day of embarkation/disembarkation. For up-to-date pricing and available airports please visit our website, contact your travel agent, or call our Contact Centre. The included airports vary by cruise and date of booking, and supplements will apply to other departure airports.

For details of how we can tailor your flights, please see page 149.

Baggage allowance

Baggage allowances vary by airline and destination, but are generally between 20kg and 23kg per person. Details will be available on My Cunard at cunard.com, after the time of booking. While some airlines have an allowance that is greater than 23kg, we request that no individual bag weighs more than 23kg to ensure safe handling by our crew.

Excess baggage

Airlines are increasingly enforcing stricter control over excess baggage. You should be aware that if you exceed the baggage allowance referred to on your boarding pass, an excess baggage charge will likely be made by the airline at check-in.

Please note Cunard is not responsible for airlines' baggage restrictions.

All flights – please note:

Where the sailing time permits and subject to availability, your flights will be arranged for the day of embarkation/disembarkation.

- Flights will not necessarily be direct or non-stop. All flight times, air carriers, and flight routes are subject to change. Cunard has no control over any changes airlines may make to flight times, but will inform you of any changes.
- Full details of air travel arrangements will be made available to you via My Cunard as soon as they have been finalised.
- When we charter aircraft from an airline, we tailor the services offered to our guests, so these may differ from the airline's advertised services.
- We will determine the city airport, e.g. for London either Heathrow, Gatwick, or London City may be used, and this may not be the same for your outbound and return flights. Therefore you may have to transfer, under your own arrangements, between London airports. For Québec, Québec or Montreal may be used.
- Airlines reserve the right to refuse

travel on medical grounds. You must notify us of any medical or mobility requirements such as airport assistance (only available after check-in) or taking your own mobility aid. In addition to completing our medical and mobility questionnaire, you may be required to provide additional information directly to the airline in order for them to assess your fitness to fly. Several airlines are unable to carry guests who require additional oxygen for medical reasons for all or part of the flight. Those airlines that can offer this service need to have advance notification to make the appropriate arrangements and any costs must be met by the guest.

- In order to comply with Civil Aviation Authority regulations, you must advise us at the time of booking if you plan to carry an electrical mobility aid on board your flight(s). These include, but may not be limited to, electric wheelchairs, electric scooters, and CPAP machines. Information you provide will be passed to the airline so that assessments can be made as to the safety of carrying the equipment on board the aircraft. The airline may require additional information directly from you in order to complete their assessment. Failure to follow this procedure may result in the electric mobility aid not being allowed on the aircraft.
- When travelling on scheduled flights, it may be possible to pre-purchase specific seat numbers subject to each airline's policies, over which we have no control. Due to the configuration of the aircraft, it may not always be possible to obtain seats together.
- Airlines have entered into codeshare agreements, so you may find that one or more of your flights are operated by one of their partner airlines. We will advise you if this is the case.
- For long haul flights, if you have any special dietary requirements, including child meal requests, please advise us at the time of booking, or at least seven days prior to travel. We are unable to guarantee that all requests can be met.
- Any amendment or cancellation made prior to departure will incur an administration fee of £20 per person, plus any costs charged by the airline. Costs vary depending on the airline and the change(s) you want to make.
- To comply with immigration rules, you must ensure that the name on your booking matches the name in your passport. You will be responsible for all costs associated with a failure to comply with this requirement, such as amendment charges.
- If you choose to make your own travel arrangements to join your ship, any flights you take will not form part of the package provided by us and will not be covered by our ATOL protection.

You will also need to ensure that you leave sufficient time in your itinerary to reach the cruise terminal by the check-in time stated on your ticket, as our transfers will not be included. You will need to make your own transfer arrangements between the airport and the ship.

Transatlantic Crossings

- One-way Transatlantic Crossing voyages, will require the purchase of a flight. Please note that not all regional flights operate a direct service on a daily basis, so indirect flights may be offered as an alternative. All flights are subject to availability. A supplement applies to regional air cities when booking the Early Saver fare.
- We can arrange domestic flights between Southampton Airport and regional airports around the UK (supplements apply).

Carriage of dogs

Cunard can accommodate service dogs on certain voyages, depending on the itinerary and according to UK quarantine regulations. Please ensure you contact us prior to booking to ensure your chosen cruise is suitable. Service dogs are accommodated in staterooms with their owners.

Non-service dogs are only carried on Queen Mary 2 Transatlantic Crossings, in

kennels, and are not allowed to visit any guest area of the ship. For all dogs, it is your responsibility to obtain the relevant documentation and certificates, and comply with customs requirements, to allow the dog to travel. Please refer to the DEFRA website at defra.gov.uk for further details.

Environmental statement

At Cunard, we take our environmental responsibilities very seriously and are committed to reducing our environmental impact.

We are dedicated to preserving the marine environment in which we operate, and therefore believe it is our duty to introduce environmental practices, which set a high standard of excellence and responsibility. To support our aim we have developed an environmental management system independently certified to ISO 14001, which is the most widely recognised global standard for improving environmental performance.

We recognise that without appropriate treatment the waste generated on board our ships, together with the fuel and

other products we use to transport, feed, entertain, and take care of you, could have an impact on the environment. Our waste treatment facilities ensure that all waste water is appropriately managed to minimise its impact upon the oceans. All general waste is treated on board to reduce its volume prior to landing ashore, and wherever possible general waste is recycled. We are reducing our air emissions through the implementation of fuel efficiency measures, including improved hull coatings, low energy lamps, increased recirculation of waste heat, and improved efficiency in air conditioning, and we continue to explore new technologies. To help us meet this aim we have an externally certified Energy Management System certified to ISO 50001.

Through these measures and other initiatives Cunard will ensure that we help preserve our environment for future generations.

The safety, comfort, and enjoyment of all our guests has always been a key concern at Cunard. With this in mind, as a direct result of the feedback we have received from our guests, we have amended our policy with regard to smoking on board Cunard ships as follows:

All public and private spaces on board (with the exception of your ship's designated smoking area) are non-smoking. This includes pool areas, restaurants, and outdoor dining venues, as well as in staterooms and on balconies. Only cigar and pipe smokers are permitted to smoke in Churchill's Cigar Lounge.

Electronic cigarettes and vape devices, including those that do not emit smoke, are only permitted in your ship's designated smoking area. You can find the smoking area's location in the ship board services folder in your stateroom and clearly signposted on deck. Some countries have strict rules around the use of electronic cigarettes, please visit the Foreign Office website for information.

Cunard may operate closed circuit television (CCTV) in certain areas on board the ship during your cruise.

Each ship has a Medical Centre on board, supported by fully qualified doctors. We are proud to be able to say that all of our medical centres are accredited by CHKS and certified to ISO9001:2015.

Although we hope none of our guests become ill, please note that medical and repatriation expenses in countries such as the United States can be substantial, and this is why we insist upon all guests having valid insurance to cover such costs. If you happen to be taken ill whilst cruising with us and your condition were so serious that we needed to get you to shore, you would be placed into the care of our port agents, and a member of our shoreside team would stay in contact with you and provide support if required. Please note, however, that all medical services on board are charged for, and that it is a condition of the contract that you have travel insurance to cover you for medical costs you may incur.

How do I settle my final bill on board?

If you have a credit card registered, all you need to do is to check your final statement on the morning of disembarkation. If you are happy with your account you need take no further action. The final amount will be settled to your registered credit card.

If you choose to settle your account with cash and you have a credit card registered, you should call at the Purser's Office no later than 6.00pm the day prior to disembarkation. Cash cannot be refunded to a credit card therefore failure to remove your credit card, will result in a cash balance on your account on the morning of disembarkation. You will then need to call at the Purser's Office to collect this cash credit.

For those guests who are travelling on a World Voyage, your account will be settled several times during your stay on board. For guests who travel on two or more consecutive voyages, your account will be settled at the end of each cruise. These settlement dates will be advised when you are on board.

You may choose to settle your account with cash; however a credit card should still be registered. If using cash, the account must be kept in credit at all times and there are limits on the amount of cash that can be deposited on your account, which vary by voyage length. Please note that you will not be permitted to deposit cash as payment for any goods totalling €9,000 or more (equivalent in the ship's currency) and these transactions must be settled using your registered card.

Please note that, as part of the fight against terrorism, international crime and money laundering, EU regulations require all guests entering or leaving the European Union with €10,000 or more in cash (or its equivalent in other currencies or easily convertible assets – e.g. bonds, shares, traveller's cheques, etc.) to declare the sum to the customs authorities of the Member State which he/she is entering or leaving. What children's programmes do you offer?

Our ships are excellent family destinations, because we offer a range of entertainment and activities for children, all of which are tailored to suit specific age groups. Our children's clubs – The Play Zone, The Kids Zone, and The Teen Zone – are complimentary, and offer the peace of mind of knowing that your children are well looked after and can socialise with other young people.

These clubs are open on a daily basis and feature secure entry systems to allow authorised entry. There are 'check in' and 'check out' procedures for the 2-12 year olds, including a registration form, which must be completed for every child before they attend the programme. We recommend registering for this service on My Cunard before your holiday. Registration is available here from 15 days before you join. Our children's programmes are exclusively for younger guests aged 2-17 years. Parents/Guardians may drop their children off in the children's facilities to be cared for by our Youth Team, who have extensive experience of planning and facilitating activities for 2-17 year olds, and hold an enhanced DBS check. Children

aged between 6 months and 2 years are welcome to use the children's facilities, when available, provided they are accompanied by a parent/guardian at all times.

Please note that children in nappies, swim nappies, pull ups, or who are not completely toilet trained, are not permitted in the pools or whirlpools.

Here is a brief outline of the children's activity programme on our ships. A children's activity programme will be delivered to the stateroom of all our younger guests on the evening of embarkation. This will feature details of specific activities during the cruise, which often include entertaining themed days. Access to the children's facilities is on a first come, first served basis.

The Play Zone

The Play Zone is a permanently supervised play area for children aged between 6 months* and 7 years on all ships.

The Play Zone is a bright, vibrant, and fun environment, complete with an outdoor play area, an arts and crafts corner, and a carpeted section for building blocks and other toys, as well as tables for puzzles and board games. Other activities will include theme days, activities, arts and crafts, and circle games.

Opening times will be notified on board.

*Infants aged between 6 months and 2 years are welcome to participate in the Children's Programme with parental supervision.

The Kids Zone

Permanently supervised by our Youth Team, The Kids Zone on board is designed for 8 to 12 year olds.

A relaxing and sociable retreat, The Kids Zone provides games and activities intended for older children, such as gaming consoles, plus sports competitions, arts and crafts, and karaoke.

Opening times will be notified on board.

The Teen Zone

The Teen Zone is a programme for 13 to 17 year olds. Activities may include table tennis tournaments, deck sports, discos, quizzes, plus much more to keep our younger guests occupied for the whole holiday.

Opening times will be notified on board.

The exact age groupings for older children will depend on the number of children travelling on any particular cruise.

Please note that at least one parent or guardian must remain on board with your child at all times.

Night Nursery

On all our ships we offer a night nursery for children aged six months to 23 months, which is available from 6.00pm to 11.00pm. We will give you a pager should we need to contact you. The night nursery is free of charge and is offered on a first come, first served basis.

On Shore

How long will I be in port?

Some ports of call are for a half day, which will usually be a minimum of four hours and a maximum of seven hours. Times will vary according to the cruise and port. Late evening departures, shown with an ^{LE} on the itinerary, will leave port on or after 9.00pm. For full itineraries and port times please visit cunard.com.

Please note that the timings are guidelines only and the actual times may vary. Details of the estimated times of arrival and departure will be provided on board.

Cancellations and refunds

You may cancel or amend the majority of reserved experiences at no cost online through My Cunard or by phoning Reservations up to 3 days in advance of sailing. There may, however, be Shore Experiences that are non-refundable or incur a cancellation penalty, or have an earlier cancellation deadline; details of this will be contained in the tour description.

(i) Pre-paid Shore Experience bookings

Once on board, if you wish to cancel your Shore Experiences before the cancellation deadline (generally 48 hours prior to the arrival in port) a 10% cancellation fee will be applied to your on board account and the full amount paid will be refunded to your original credit/debit card. We regret that we are unable to refund the cost of experiences that are cancelled by guests after the cancellation deadline. If you do wish to cancel your Shore Experience after the cancellation deadline, we will credit the original credit /debit card with the full amount paid, however a 100% cancellation fee will be posted to your on board account. In order to process any cancellations, tickets must be returned to the on board Tour Office.

(ii) Shore Experience bookings made on board

If you wish to cancel your shore experience before the cancellation deadline (generally 48 hours prior to the arrival in port) you should return your tickets to the Tour Office, where a 10% cancellation fee will be applied to your on board account. We regret that we are unable to refund the cost of experiences booked on board that are cancelled by guests after the cancellation deadline.

Your Shore Experiences team

With a dedicated team on board, you can book or discuss Shore Experiences throughout your voyage. Knowledgeable and well-experienced, they can recommend tours, answer questions, and take care of all the details for you.

Local expert guides

All Cunard guides possess a wealth of local knowledge. By sharing their expert insights, you'll get a more thorough understanding of the destinations you visit, and find your experiences more rewarding and inspiring.

What are anchor ports and possible anchor ports?

In some ports it is necessary to anchor offshore rather than alongside, indicated by the symbol ^A or ^{PA}. Where conditions permit, you will be taken ashore by the ship's tenders, i.e. small vessels that carry around 100 passengers.

In order to board the tender, please note that you will be required to use steps both up and down (where there may be a 6"/0.15m to 8"/0.20m height difference) and navigate the gap between the platform and the tender (which may be up to approximately 1.5ft/0.43m). There will be crew members there to guide and steady you as you embark, but they cannot support, carry, or lift passengers on board the tender for safety reasons.

Please wear appropriate flat footwear that is securely attached to your feet when embarking and disembarking the tender. If you have registered for mobility assistance, one of our officers will contact you once you're on board to discuss your ability to embark and disembark the tender safely. If you use a wheelchair or a mobility scooter, you will be permitted to board the tender providing you have enough independent mobility to be able to get out of your wheelchair/mobility scooter and embark on foot. You, or your travelling companion, are responsible for assembling and disassembling your wheelchair/mobility scooter. The crew will endeavour to assist you where practical and safe to do so, and providing that no individual part of the wheelchair or mobility scooter weighs more than 20kg.

Is the port always the main destination?

Usually, although there are some exceptions where the main places of interest are not on the coast, but accessible by coach or train from the port. An example of this is Rome. In these cases the main place of interest is shown with the port in brackets, e.g. Rome (tours from Civitavecchia). At these ports of call, and others where the ship berths some distance from the city centre, Cunard will arrange a shuttle bus service, or a city transfer service.

With Cunard Fares, shuttle buses will be offered free of charge in ports where they are provided by Cunard, but you may incur a charge if you book any other fare type. Guests who wish to go ashore independently of the Cunard tour programme will usually find local public transport connections and private taxis close to the port.

Can I get foreign currency on board?

You may exchange your money into local currency for most ports of call, however there are certain ports for which the ship is unable to carry the currency. In such cases, the ship will advise which currency is best to take ashore. Please remember that we can only accept back the currencies we sell on board and only in the denominations that we sell.

Foreign currency can be charged to your account if you have a credit card registered, or if your account has sufficient cash credit to cover the transaction. There are limits on the amount of currency that can be exchanged, whether you are using a registered card or cash (\$500 per day with a maximum \$2,500 per seven consecutive days, and a maximum of \$10,000 per 30 consecutive days). This is to ensure that we comply with anti-money laundering laws. We are unable to accept either personal cheques or traveller's cheques. We are also unable to accept €500 notes at any time for currency exchange transactions.

If you require cash-back for any reason whilst you are on board you may charge this to your account. There is a daily limit of \$500; a \$2,500 limit per seven consecutive days; and a \$10,000 limit per 30 consecutive days; against a registered credit card.
